

ERINVALE GOLF CLUB

Corporate Golf Day Packages For 2016

Overview of Erinvale

Erinvale Golf Club played host to the World Cup of Golf held in 1996 (only a year after it's official opening) as well as the SAA Open in both 2003 and 2004 and most recently hosted the South African Disabled Open.

The golfing experience at Erinvale Golf Course is divided into two distinctly different nines. The first nine takes you through the flatter, residential part of the estate, while the back nine makes its way upwards on the slope of the Helderberg Mountains, allowing the golfer to enjoy beautiful sea and mountain views.

If the challenge of a Gary Player designed 18 hole golf course, coupled with breath-taking winelands, sea and mountains views is what you are looking for, then Erinvale Golf Course is the place to visit.

The Clubhouse is nestled in the middle of the Erinvale Estate, at the foothills of the Helderberg and Hottentots Holland Mountains, in Somerset West. At Erinvale you can be assured of a friendly and warm welcome by the club's hospitality team. The club's constant quest for perfection and improved facilities will also ensure a memorable experience off- the-course.

While enjoying the view and sharing in your fellow player's enjoyment you can order a drink from one of our trained waitrons or a snack from one of our menus. As the sun sets over the bay, you are welcome to retire to our Terrace or Playa's Bar and follow the latest sport on our Big Screen TV, or relax and chat to one of our regular members, who will be able to share some of the course's hidden secrets.

We offer two beautiful function venues that over look the course, which cater for all types of functions, product launches, book signings and corporate day events.
